RULES

ENTRIES CLOSE - JULY 1

1. See West Hall Departments General Rules on pages 150-151.
2. Exhibitors are limited to one entry in each class.
3. All vegetables and melons entered must be grown by exhibitor. Junior and Senior Exhibitors are also eligible to compete in open classes.
4. All awards will be made by single judge system.
5. The superintendent will receive entries on Tuesday, August 13 beginning at 8:00 a.m. All exhibitors must check in with the superintendent no later than 6:00 p.m. Exception: All collections must be in place and completed by 7:00 p.m. Tuesday, August 13 and exhibitors must exit the West Hall at that time. Exception: Senior Citizen Exhibit (Division 2406) entries will be received on Tuesday, August 20. The Superintendent may extend access to West Hall on day of entry if deemed necessary.
6. All entries MUST identify name of the variety/variatal on the back of the entry tag to be eligible for premiums, the Largest classes in Division 2403 are exempt. Example: an entry into the Tomato class "Red, round, slicer variety (5)" may have Stellar Tomato, Rutgers, Czech Bush, Greek Asimina, Sioux, etc., all of which are Red, Round, Slicer Varieties. Any exhibits grown from a saved seed may be identified by a name of the exhibitor's choosing or "seeding". This adds to the attractiveness and educational value of exhibits. "Any other variety" classes are limited to varieties that do not have their own category. Entries not classed correctly or that do not identify variety/variatal on the back of the entry tag will receive no premiums.
7. Articles in the department can be shown in only one class. They cannot be exhibited separately and also as a part of a collection.
8. No exhibitor will be permitted to sell vegetables or melons within the display area during the period of the Fair except final day, and then at such time and in such manner as prescribed by the Fair management.
9. No articles can be removed before 6:00 p.m. Sunday, August 25. Exhibits may be picked up between 6:00 p.m. – 9:00 p.m.

Sunday, August 25; or from 10:00 a.m. – Noon Monday, August 26. Unclaimed exhibits will be disposed of, including baskets, jars and containers.

10. All vegetables must be fresh and clean. Exhibits must be displayed on white paper plates or similar trays furnished by the Fair.
11. **Exhibitors may wish to use a standard wide-mouth canning jar (32 oz or smaller) to display extremely perishable entries (e.g. Parsley, Spinach, Swiss Chard).** Shipment of perishable products is at the exhibitors' risk. The Fair is not responsible for the condition of produce which has been mailed or shipped.
12. The superintendent shall have the right to remove from exhibition at any time, any exhibit, or part thereof, which does not make a good appearance, becomes unwholesome, appears spoiled, diseased or contains pesticide residue.
13. Products must be current year's crop, except where noted.
14. Parentheses () after the class category represent the number of specimens to enter in said class. For example, Sweet Potatoes White (5) means you should have 5 white sweet potatoes on your plate for the entry.
15. **Exhibitors may not use electrical outlets to power items in or on their collection/displays. Collections, whose primary focus is vegetables grown by exhibitor shall be judged more favorably than those that focus on ancillary items. (This pertains to class 115, class 163 - juniors and class 215 - seniors.)**
