Heritage Hall, located in South Wing C 109-112, is more fun than you can imagine for the eleven days of the Fair. A chance to showcase your talents - can you balance an apple on your head or hold a smile? If you can, you could be on your way to winning a great prize in one of our wacky contests scheduled between bingo games and musical entertainment.

Come out and enjoy a cup of coffee on us and join in on the dancing, singing, and playing of games. Relax in our air-conditioned seating area while enjoying the entertainment and meeting new friends.

For contest information or if your group would like to perform or display artistic talent, please write for details.
